WUB STEM Carnival 2026

Guidelines for Project Showcasing

Date: September 22, 2026

1. Stall Facilities Provided:

- Standard 6 ft x 6 ft stall area assigned to each team.
- Each stall will include: 1 Table (Size: 2 ft x 3 ft), Electrical Power Supply connection, and Basic Lighting arrangements.

- **2. Schedule & Stall Handover:**
  - Stall Handover & Setup Time: Stalls will be handed over to teams on 22nd September 2026 at 7:30 AM. Participants will have time from 7:30 AM to 9:30 AM to set up and ready their stalls.
  - Evaluation & Presence Time: The official project evaluation will take place between 11:00 AM and 1:00 PM. All team members must be present at their assigned stalls throughout this duration.

- **3. Fire & Safety Regulations:**
  - Any use of open flame, fire, or flammable materials is strictly prohibited without prior permission from the Higher Authority.
  - If a project strictly requires fire for demonstration, it must be reported in advance and carried out solely under the supervision and assistance of our designated Volunteer Team.

- **4. Additional Requirements:**
  - Any special equipment or extra resource requests beyond the provided facilities must be communicated via email at least 24 hours prior to the event date.

Thank you for your cooperation.
