CAMPUS EVENT

WUB STEM Carnival 2026 Inspires Young Minds from 110 Institutions

22 September 2026 · WUB Campus, Sector- 17/H, Uttara, Dhaka · Inspire | Innovate | Impact

World University of Bangladesh (WUB) organized WUB STEM Carnival 2026 on 22 September 2026 at the WUB campus, with the aim of inspiring young minds and promoting excellence in Science, Technology, Engineering and Mathematics (STEM). The day-long carnival brought together students from colleges across Bangladesh on one platform to demonstrate their knowledge, creativity, analytical thinking and problem-solving skills.

A Grand Inauguration

The inauguration ceremony was graced by Professor Dr. M. Nurul Islam, Pro-Vice-Chancellor of World University of Bangladesh, as the Chief Guest. The carnival officially commenced at the Founding Treasurer Morsheda Choudhury Auditorium in his presence.

The carnival featured four major events — the Mathematical Olympiad, Science & ICT Olympiad, Quiz Competition and Project Showcasing — with students from H.S.C., A Level and Alim levels taking part. Winners received cash prizes, certificates and crests from a total prize pool of **BDT 300,000/-**, while all participants received participation certificates.

DISTINGUISHED PRESENCE

CHIEF GUEST

Professor Dr. M. Nurul Islam
Pro-Vice-Chancellor, WUB

Professor Zaki Imam
Registrar, WUB

Professor Dr. AQM Shafiul Azam
Dean of Academic Affairs and Research, WUB

Registration & Reception

Opening
Inauguration Ceremony

Throughout the Day
Science & ICT Olympiads, Mathematics Olympiads, Quiz & Project Showcasing

Finale
Prize Giving & Closing Ceremony

Four Competitions, One Platform

Students competed across four segments designed to test knowledge, speed, teamwork and innovation.

Science & ICT Olympiad

Testing scientific reasoning and ICT knowledge.

391 PARTICIPANTS

Quiz Competition

The carnival's most popular segment.

502 PARTICIPANTS

Mathematics Olympiad

Challenging students' problem-solving and mathematical reasoning.

333 PARTICIPANTS

Project Showcasing

Teams of 2–4 presented robotics, sustainability and engineering design projects.

34 PROJECTS

662 students from **110** colleges and institutions took part in the carnival; many competed in more than one event.

Winners with guests at the Prize Giving & Closing Ceremony.

Celebrating Excellence

The day culminated in the Prize Giving and Closing Ceremony, where winners were honoured with cash prizes, certificates and crests. The carnival gave students the opportunity to exchange ideas, learn from peers, work as teams and present innovative solutions.

It also emphasized the importance of critical thinking, problem-solving, teamwork and communication skills in preparing the younger generation for a rapidly changing, science- and technology-driven world.

Through WUB STEM Carnival 2026, World University of Bangladesh reaffirmed its commitment to encouraging quality education, nurturing innovation and creating opportunities for young students to explore and develop their potential.
